Dear Ladies and Gentlemen, dear friends of science,

please accept our invitation to participate in the 66th International Student Scientific Conference (ŠVOČ), which will take place on 14 May 2026 at the Faculty of Wood Sciences and Technology, Technical University in Zvolen.

The aim of the conference is to involve students in scientific and creative activities, to develop and support their creativity, and to encourage their professional growth. Students work individually or in teams on practical projects in cooperation with experienced professionals, lecturers, and researchers. At the ŠVOČ conference, they present the results of their work and have the opportunity to exchange ideas and experience within their fields of study and research.

We look forward to your participation.

Kind regards,

Mgr. art. Katarína Boborová, ArtD.
