

Bern University of Applied Sciences,
School of Architecture, Wood and Civil Engineering invites
you for an info event to introduce you our international
master program

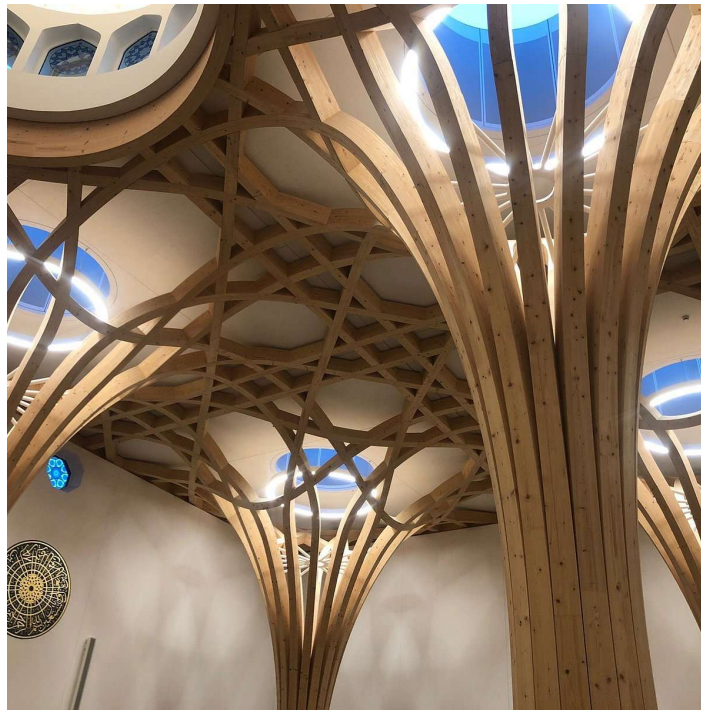

Berner Fachhochschule
Haute école spécialisée bernoise
Bern University of Applied Sciences

We will talk about our three specialisations...

Management of Processes and Innovations

Complex Timber Structures

Innovation in Bio-Based Materials

...Study Models...

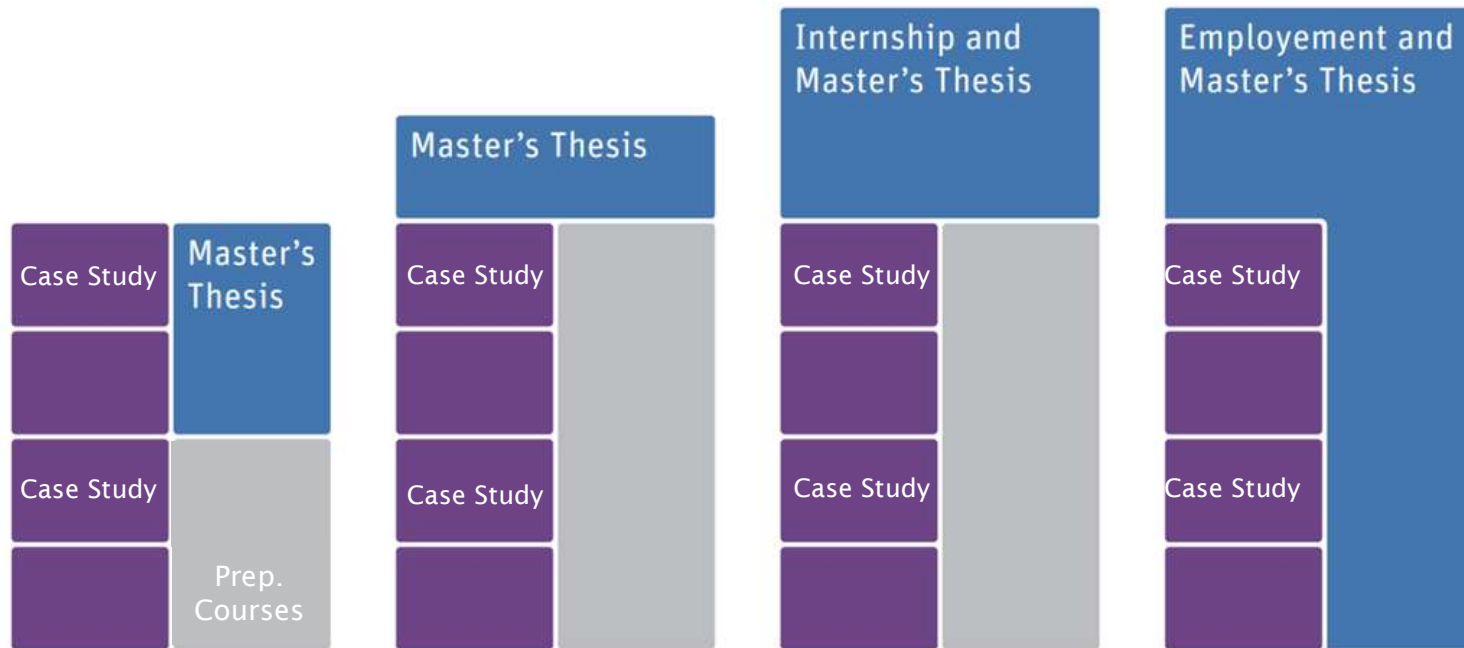

classes only on Thursdays and Fridays

Different Study Models

Semester

6
5
4
3
2
1

■ Lecture ■ freely available

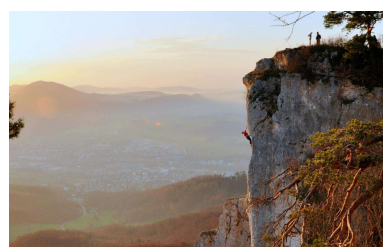

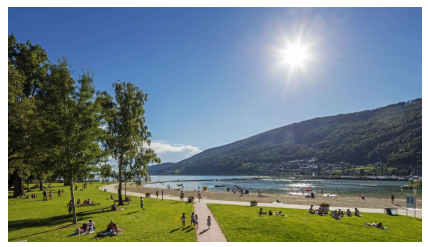

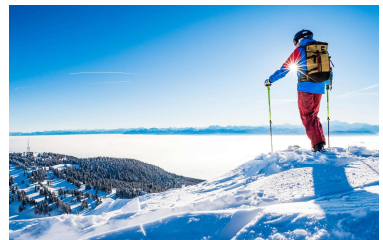

Full-time studies in 4 semester

Part-time studies in 5 semester

Part-time studies in combination with an internship

Part-time studies in combination with employment

...infrastructure and labs, case study, job opportunities, our international community and much more....

Contact

Hello there!
My name is Barbora.

I graduated at TU ZVO in 2014 and have worked at BUAS since 2016 as a researcher.

From 2025 I coordinate our master program.

I look forward meeting you soon!

Barbora Starovicova, Scientist & Coordinator Master Wood
Technology
